

MCINTOSH COLLEGE ACADEMY OF TECHNOLOGY & DESIGN

Dover, NH

Owner

McIntosh College*

Design

Willey Brothers, Inc.

Project Completed

January, 2002

Building Type

Educational Facility
Addition/Renovation

Construction Method

Design Build

This fast track design build project was a total team effort. Jewett Construction partnered with Willey Brothers, Inc. and McIntosh College to create a state-of-the-art design and technology center. In an effort to expedite the design phase, mechanical and electrical subcontractors were interviewed by the entire team. Selections were made based upon design-build experience and their ability to meet the project schedule.

This renovated function hall now houses computer labs, classrooms, cafe, copy centers, and art galleries. The project's aggressive ninety day build out was met without compromising the quality of finishes or safety.
